

SCUV3

3 mil Clear Universal Permanent Adhesive Vinyl

READ&Co.

A Clear Permanent Adhesive Vinyl

- Excellent color brilliance and image definition
- Good for indoor and outdoor applications
- Superior coating allows for smooth clean surface and a vibrant image
- Good dimensional stability
- Uses include window graphics, signage, decal, POP and die cut letters
- Also available in low tack (SCUV3L)

Lamination & Mounting

This product has been tested and approved for use with Read&Co. laminates and adhesives. Read Inkjet laminates provide durable protection from abrasion, moisture, Ultraviolet light and various types of damaging effects on indoor and outdoor applications. Recommendations for cold/pressure sensitive lamination and adhesives are SPEED: 3-5 feet per min and PRESSURE: 20-40psi (recommendations vary depending on the laminator, model and other variables). Read Lamination and Adhesives provide quick and efficient quality results without the need for heat.

Solvent, Eco-solvent, UV Curable And Latex Compatibility

This product is universally compatible with solvent, eco-solvent, UV curable and latex wide format digital inkjet printers. Read&Co inkjet materials provide an expanded color gamut and higher ink saturation for richer, more brilliant colors. Individual results may vary. Test thoroughly for your specific application.
