# Vescom Pearl Smooth 20 oz Non Woven

Vescom Pearl Smooth features an un-embossed pearl ground with a satin sheen that provides an elegant surface for reproducing high-resolution images. This commercial grade wall covering is designed for high-quality image reproduction on wide-format inkjet printers. This low-VOC-emitting vinyl is Class A fire rating, making it an environmentally conscious choice for corporate, healthcare, entertainment and retail wall murals.

SPECIFICATIONS	
Material Type	100% PVC Face
Texture	Smooth
Backing	Non-Woven Backing
Gauge	16 mil
Weight	20 oz/linear yd or 13 oz/yd2
Opacity	100%
Core Size	3in ID
Gloss Level	Matte 8-15
Finish	Liquid top coatings can be used for added protection or desired finishes. To achieve Type II results, product must be paired with Marabu ClearShield Wall Armor.
RIP & Printer Media Settings	Optimal printer settings will vary from printer manufacturers. For the best and most consistent results a profile should be created using an external color calibrator in conjunction with your RIP and color matching software.
Light Fastness	The fading time of inkjet ink is a direct result of the inks that you choose to use and the environment where the print is displayed. Contact the ink manufacturer for light-fastness data.
Optimal Service Environment	For printing: 60°-80° F, 50% Relative Humidity. For end use: -40°-176° F (-40°-80° C).
Ideal Storage Conditions	70° F (21° C), 50% R.H. (a controlled environment is recommended); store vertically in original packaging.
Ink Compatibility	Compatible with all latex low-solvent, solvent, and UV-curable inks and printers.
Clean & Care	Easily cleaned using clear, warm water and mild soap with a natural sponge. For more difficult stains, the use of a stronger detergent may be tried. We recommend all cleaners first be tested to ensure compatibility with the wallcovering.
Shelf Life	1 year storage in original package under recommended storage conditions above.
