• Compatible with solvent, eco-solvent, UV curable and latex printers
• Can be folded and stretched without cracking
• Free of heavy metals
• Neutral acidity (acid free) and archival
• Excellent color brilliance and image definition
• NFPA 701 fire retardant certificate

Lamination & Mounting

This product has been tested and approved for use with Read&Co. laminates and adhesives. Read Inkjet laminates provide durable protection from abrasion, moisture, Ultraviolet light and various types of damaging effects on indoor and outdoor applications. Recommendations for cold/pressure sensitive lamination and adhesives are SPEED: 3-5 feet per min and PRESSURE: 20-40psi (recommendations vary depending on the laminator, model and other variables). Read Lamination and Adhesives provide quick and efficient quality results without the need for heat.

Solvent, Eco-solvent, UV Curable And Latex Compatibility

This product is universally compatible with solvent, eco-solvent, UV curable and latex wide format digital inkjet printers. Read&Co inkjet materials provide an expanded color gamut and higher ink saturation for richer, more brilliant colors. Individual results may vary. Test thoroughly for your specific application.
