

SSGTR4

4 mil Semi-Gloss Removable
Adhesive Backlit Vinyl

The logo for Read & Co. features the word "READ" in a bold, orange, sans-serif font, followed by "&Co." in a white, serif font.

A Premium Semi-Gloss Vinyl Ideal For Backlit Applications

- Excellent color brilliance and image definition
- Good for indoor and outdoor applications
- Superior coating allows for smooth clean surface and a vibrant image
- Excellent day and night applications
- Great image density

Lamination & Mounting

This product has been tested and approved for use with Read&Co. laminates and adhesives. Read Inkjet laminates provide durable protection from abrasion, moisture, Ultraviolet light and various types of damaging effects on indoor and outdoor applications. Recommendations for cold/pressure sensitive lamination and adhesives are SPEED: 3-5 feet per min and PRESSURE: 20-40psi (recommendations vary depending on the laminator, model and other variables). Read Lamination and Adhesives provide quick and efficient quality results without the need for heat.

Solvent, Eco-solvent, UV Curable And Latex Compatibility

This product is universally compatible with solvent, eco-solvent, UV curable and latex wide format digital inkjet printers. Read&Co inkjet materials provide an expanded color gamut and higher ink saturation for richer, more brilliant colors. Individual results may vary. Test thoroughly for your specific application.
